re: MEMORANDUM OF AGREEMENT : FRANCES ALLISON WILLIAMS.

We refer to the above matter and enclose herewith an Agreement to be signed by yourself together with a Codicil for insertion in your Will. As regards signature to the Codicil and the Agreement, kindly note the following:

1. The date of your Last Will and Testament should be inserted in the Codicil and you and the Witnesses should sign alongside such insertion, and the date and place of signature to the Codicil should be inserted in the space provided for, and you and your Witnesses should sign in the spaces provided for. Kindly note that it is important that you and the Witnesses should all be present at the same time when signing the Codicil.
2. As regards the Agreement it would be appreciated if you and the Witnesses could initial the bottom of each page and then sign on page three at the space provided for and also insert the place and date of signature.

We advise that we have structured the Agreement and Codicil as submitted to you in view of the fact that there were certain difficulties relating to donations. It is felt that the present structuring provides for all contingencies and should you have any queries, kindly do not hesitate to communicate with the writer.

Once you have signed the Agreement kindly forward the Agreement to our offices and we will arrange for signature by Mrs Williams and will thereafter forward the original Agreement to you.

Yours faithfully
ROMER ROBINSON & CATTERALL
