Dear Wally,

Many thanks for your letter of 31st August telling me about the progress on Joan's house.

A few days ago I had a letter and a copy of the proposed agreement from the lawyer, so I expect you have had the same by now. It seemed to be alright, except that he had spelt Joan's name wrong, so I signed it and sent it off.

We were in Johannesburg for a very rushed visit at the end of August, but I had time to go out to the nursery to see Joan. She seems well and very happy with the way the building is going.

With best wishes,

Yours sincerely,
