Dear Mr Brown

VIEWS OF TABLE BAY AS DEPICTED BY BOWLER

During October we asked the printing firm Budd and Thomson to send you a set of the above reproductions. Unfortunately we have had reports that some of the sets, which were despatched on the same day, got damaged in transit. We feel most distressed about this.

I am writing to say that should your set have got creased, please do not hesitate to return the set (or at least the print(s) which are spoilt) to us and we will send you another set or print.

As the one reproduction is rather large the Post Office would not accept a flat parcel. Unfortunately hand-made paper creases easily when rolled up. We might send it by special courier service from door to door - but then I shall need a house or street address. Should you live on a farm perhaps you could arrange with somebody in town to take delivery for you - please then let me have this person's or firm's address.

We do apologise for any inconvenience.

Yours faithfully
