Dwar Mr. de Waal,

Thank you for phoning through the message to say that Mrs. Mandela would not be there on November 21st.

I am now thinking of coming on Tuesday, December 11th, if she will be there on that day. I will assume that she is, and that it is suitable, unless I hear from you to the contrary.

If there is anything that I can try to help with please let me know and I will call at your office. If not, I will go straight to her house and not worry you.

Yours sincerely,

P.M. Brown.
