HILTON

Dear Peter,

I am happy to let you know that the case of my car is now over. He accepted a cheque for the sum of R992.74 as final and full settlement. And yet the stupid fellow had claimed in his summons something like R4000.00 plus repossessing the car. My lawyer is now instituting a claim for costs against him. The date for hearing the action is not yet set. I think this fellow is fast asleep, this action will wake him up a bit.

Enclosed herein is an Invoice for repairs. I didnt expect it to be so high, although I must admit that it is the first major repair to this car within the two and a half years that I have owned it, I am only sending this invoice because you suggested it, but please donot think that I am blaming you for what happened.

You were right Peter, at the bottom of the letter you wrote to me, you suggested the 30th to be the date of our Natal branch meeting, how I failed to enter it in my diary, I donot know. Thanks for giving me the report of the meeting.

May the blessings of this season bring you the knowledge once again that God abides with you.

Yours faithfully

P. Elliot
