Dear Anne,

Thank you very much for the book and for your nice letter. Greatly appreciated.

We had our AGM meeting this week and made final arrangements for the July issue, which will be a tribute to Alan. I was also asked to write to you 'officially' on behalf of the board, just to let you know how much we valued all that he did for Reality over the years, and how much we will miss him.

Alan's name, of course, goes for Phoebe and myself. He was certainly our most important and constant support during the learning years, as well as on many occasions before and after that time, and the gap he has left in our lives can't one that anyone else will ever fill.

We will see you in London, if not sooner. I hope the wedding goes off well.

Yours,

Peter
