Dear Magnus,

Thank you very much for your letter - arrived yesterday. Most interesting and, obviously, somewhat sad - but that's inevitable in the circumstances. Here is reply to your queries.

1- Mike: He works (ed) for the Joint Distribution Cttee & has been with them in, at least, Israel, Italy & the U.S.A. I don't know his present whereabouts but they should in their Isszel offices. (You'll find them thru' telephone enquiries.)

2- Fleur: she says yes. She's prepared to meet with you and if you get on shdeel fally. She may be in SA. this month or in January but should be in London in December.

(052) 574-145 (BARRY SWERSKY)
3- The name you want is Anne Swersky. I have no address for her but again the Tel-Aviv phone directory should help. I seem to remember someone telling me she lives in U.S.A. you - a gosh suburb. Her husband is some sort of impresario in showbiz. What I told you, I learnt very much later from Mike Wade to whom she confided. You can take it as fact. - 110.00pm - 18.00am

4- It's a good point for contact for points 1 & 3 is Yehudit Wade - Mike Wade's widow - at 26 Gaza Road J'lem. I am writing to her to ask whether she can find details of 1 & 3 - & she should - so you don't waste time. You can find her telephone number in the J'lem phone enquiries. She's an American & very nice - please give her my love if you speak to her.

5- Don't know anyone else. to both of you
All the best & love
R -
