I rang Dominy at the Museum (where he is the historian) and he told me that article on the Horticulturalists will appear in *Natalia* in December, but you could get a copy from the writer, Coghlan, who is at the Natal Provincial Museum Service, Private Bag 9050, Pmb 3200 (tel 0331 453201). Coghlan has a lot of material on the subject, I am told.

I will be (back) here in December so could photocopy the article for you if you let me know you want it.

I would love to hear about your meeting with Swanepoel - was he the man who did the *New African* thesis? It would be fabulous if you were to write a piece for SARoB about the whole affair, or you may prefer to 'protect your source'?

My e-mail here is c/o fowled@politics.unp.ac.za (until end of October and from 28 November to 6 January).

Yours
