Hi Magnus,

Yes, I did get the second copy of the Vigne tape and I have checked it with what I took off the first tape and continued on and finished it. I will give one more check tonight just to make sure I have it all off, but I am sure I have. I will send you a paper copy, diskette, and return your two tapes of Vigne.

I think \$20.00 per hour will be okay Magnus. When I first started this for you I was asking \$15.00 per hr. as this is what Trent was paying me when I left. I think now the payrate for the position I had is around \$23.00 per hour so I think we are in the right ball park so to speak.

Yes, I would be pleased to do more tapes for you. My machine seems to be working well and the second tape you sent me seemed to be a bit better quality and a little easier to transcribe.

With regard to the cleaning of my machine, it is most generous of you and I do appreciate it, but will leave this entirely up to you. If you do decide to do this and you need a copy of the invoice I'd be glad to send a copy to you.

When you get this material, if there is anything you want changed with the format, just let me know.

Many thanks.

Shirley
