H.B. Strachan, Esq.,  
Secretary,  
Natal Society of Accountants,  
1000 Mansion House,  
Field St.,  
Durban.

Dear Mr Strachan,

With reference to my letters of 30th January and 16th February, I am most anxious to learn your views on the suggestion I made that we enlist the co-operation of a journalist on one of the Natal papers to write, in conjunction with yourself, a feature article on the problems which we have discussed which face non-white students who wish to become accountants.

We are anxious that something be done about this, and as I mentioned in my letter of 30th January, if the problems were brought to public attention, there is the possibility that an amelioration of the situation could be achieved.

We look forward to hearing from you.

Yours faithfully,

  
Adrian Leftwich  
President.
