NOTE ON EVIDENCE GIVEN BY VAN DER RIET AND
LEFTWICH.

1. The evidence that SCHNEIDER left the organisation immediately after the pylon explosions (18th June 1964) is to be found in the evidence of VAN DER RIET at the very end of her cross-examination by Mr. Gibson, in answer to a question put by the Judge.
2. The evidence of the Account Book (Exhibit E.4) records the name of ROY, but does not reflect any subscription as being due by him, or as having been paid by him.
3. LEFTWICH, in his examination in chief, said that at about the end of 1963 the Cape Town organisation decided to drop sabotage because they felt that it was dangerous and futile. The organisation then apparently became an "intelligence" organisation.
4. According to LEFTWICH, in cross-examination by Mr. Snitcher, the so-called political intelligence unit had, or was intended to have, perfectly lawful contacts with persons not properly in the organisation.
5. It is to be noted:-
 - (a) That Accused No. 3 came to Cape Town for the first time in January 1964.
 - (b) That he met SCHNEIDER only at the end of March 1964.
 - (c) That it was not until May 1964 that he was introduced to the organisation.
 - (d) That it was only at the end of May 1964 that SCHNEIDER disclosed its true nature.
 - (e) That within three weeks SCHNEIDER himself had left the Organisation, thus severing the Accused's only contact with it.
