London branch of P.O. - see in news paper.  
Don't see list from (1) as I have for the  
company members as have (2) to work  
for a new road built with Army, perhaps  
for a public service. How effective is the  
to consider that amount & (3) is appropriate?  
When do you think? (3) to begin about  
work with the new & developments - Army.  
2. (4) to receive people to go to the  
Army from to form about Bechuanaland & Orlia.  
Cable of (5) see) I imagine you will go - 'woman' over R.
