"INSTRUMENT OF THY PEACE"

by Alan Paton and Ray Ellis

The photographs and legend ate based on the prayer of St. Francis and are beautifully done. I could only wish that the photography accompanying the legends written by the author of "Cry, The Beloved Country" and "Too Late the Phalarope" would have focused that contirent. They do not. However, the work is well done and it will enhance a great prayer of our common tradition to many for many years to come.
