Dear Alan,

I will look forward to hearing from Trevor.

My wife and I were talking about you last week when French-Beytagh came to see us. I have just read his manuscript over the weekend and what a remarkable story it is. We are planning to publish it next Spring. As you may know, you come into the book quite a bit.

He also was praising Bishop Clayton. My wife joins me in sending all kindest remembrances.

Yours ever,

Bill Collins
