10 August 1970

Dear Mrs Paton,

Dr Davey is away from London until later this month and I write to acknowledge your letter of 1 August, which he will be very interested to see on his return.

We had hoped to send the material out by a member of our staff who will be coming home to S. Africa at the end of September, since it will make a rather large package for air mail. But, since your husband needs it as soon as possible, we will make arrangements to send it to him with the least possible delay.

Yours sincerely,

*Elizabeth Howarth*
