Dear Mr Paton,

We were in touch at the end of last year about the manuscript of your proposed book on Archbishop Clayton. I understood from your letter of 2nd December that you would be letting us have it in the course of this year. Would you be kind enough to let me know the situation? It is important that we should have some idea when we are likely to receive this manuscript in order that we may make our plans for next year.

I.M.N.

Yours sincerely,
