Mr. Alan Paton, O.S.C.,  
P.O. Box 278,  
HILLCREST.  
N A T A L.

Dear Alan,

I am delighted to hear that Geoffrey Clayton is now finished. I hope that it will soon see the light of day. I must admit that I am sent rather more manuscripts of one kind or another than I really have time to read, but your biography of Geoffrey Clayton is one of the manuscripts about which I am very excited to see.

I shall be going to St. Helena for a Visitation in the second half of November and would have time then to read your manuscript if you had a spare copy which you could let me see. Bishop Inman would bring it down when he comes to Episcopal Synod early in November.

I would be delighted if you and Mrs. Paton would come and spend a few days at Bishopscourt, preferably after I have had an opportunity of reading the manuscript. Perhaps you will let me know when you are likely to be in these parts.

Yours sincerely,

+Robert C. Inman
