My dear Alan,

We have just got back from our annual holiday, and I am sorry that your letter of May 31st has not been answered earlier.

I do not suppose that the W.C.C. file at Bishops court would still contain the initial correspondence. It was probably destroyed during Joost's regime; but I do not know. The period covered would be from 1948 to the time of Geoffrey's death. Presumably EVERY metropolitan would have been similarly involved. The correspondence flowed between Canterbury and Geneva; but, of course, it is all old hat now. What would Geoffrey have thought of the W.C.C. in its present form and activity? Useless speculation!

Thank you for omitting that footnote. I hope you flourish.

Bettie joins me in affectionate greetings.

Yours ever,
