Mr. Alan Paton,
P.C. Box 278,
HILLCREST, NATAL.

Dear Mr. Paton,

I am sending, under separate cover, the books on the Anglo-Catholic Congresses, given by Archbishop Clayton, and also a book I had extracted from his library after his death on the Clayton's which might have some useful information. I have also put in a little correspondence from some years back now which I think tells its own story. One letter refers to a thesis I presented on the teachings of Baron von Hügel and which he had asked to see.

Now I am writing to you, I wonder if there would be any possibility of your taking part in a Lent Course (Evensong) at the Cathedral here, and speaking to us in a Course with the general title 'God's Way with Man'. Your title would be possibly 'The difficulties of being a Christian', and could be on one of the following Sundays - 28th February, 7th March, 14th March, 21st March or 28th March.

We would be happy and prepared to fly you down for this and offer you hospitality here if there was the slightest possibility of your being available. I spoke to the Archbishop yesterday about this and he thinks you might well be overseas during this time on your Roy Campbell work.

Kindest regards,

Yours very sincerely,

Edward King
