Dear Mr Paton,

Fr Harris has sent on to me the typescript of your first five chapters about Archbishop Clayton, which I have read with great interest. There are several inaccuracies, as I think you will see on referring to my memos. and the extract from the Cambridge paper of 1924 which I sent you last month. I have noted these on the enclosed sheets, and this will enable you to get the ~~chronology~~ chronology and other points of fact right.

With every good wish.

Yours sincerely,

*Arthur Peck*
