Dear Alan,

I'm in the middle of doing the Survey, and just haven't time to summarize the recommendations by the Interdepartmental Committee on Native Education, 1935-6, (U.G. 29/1936). But our library says that you may borrow the enclosed copy of the report. May we please have it back by registered post when you've done with it?

Kindest regards,

Yours sincerely,

Muriel Horrell
