Natal.

Dear Fr. James,

I am just writing to ask you whether you proceeded any further with the translation of CRY THE BELOVED COUNTRY for your paper UM-
AFRIKA.

I have now had inquiries from the D.R. Church in regard to the publication by instalments and it would really be a relief to me to be able to tell them that such a right has already been granted to yourselves.

Please send me an answer at your earliest convenience so that I can reply to their letter.

Yours sincerely,
