Dear Fr. James,

You will think I have forgotten you but I have just written a further letter to the Dutch Reformed Mission Church of the O. F. S., which in translation reads as follows:-

"With further reference to your letter of April 13, 1949, may I please inquire you are now in a position to let me know the decision of your Commission. The Editor of UM-AFRIKA the Zulu periodical of the R. C. Mission Church in Natal, is anxious to publish the book by instalments, but is quite willing to use your translation if you will allow him, but he naturally would like to know as soon as possible if you are so willing, then you may cancel immediately that clause of the agreement which refers to publication by instalments."

As soon as I get the answer to this letter I shall let you know what it is, and I hope you will understand that I am not the cause of the delay.

Yours sincerely,
