JOHANNESBURG.

Dear Mrs. Hackel,

It was very kind of you to write to me about my book
and I am glad that you liked it.

I have written to Scribner's telling them that you would
be glad to translate it and that you know of a German publisher
who might publish it. As soon as I receive their answer I shall
let you know what they say.

Thanking you again for your letter and for your good wishes,

Yours sincerely,
