Dear Mr. Christeller,

Scribner's address is :- Messrs. Charles Scribner's Sons,
597 Fifth Avenue, NEW YORK 17.

I am sending you this letter in duplicate so that when you write to Scribner's you may enclose a copy of this letter to you.

I wish to state that I would be very pleased to have the book translated into Sesuto, ~~but~~ I would be pleased if Mr. Seema translated it, provided that your publication committee is satisfied with the accuracy of the translation.

I hope that Scribner's Sons will arrange a contract on more favourable terms than usual in view of the fact that your readers are amongst the poorest people in this country. I think it would no doubt help Scribner's Sons if you were to indicate the price at which you would publish such a book and the number you would expect to sell. I beg to state here that I am not anxious to make any profit from the Sesuto edition on condition, of course, that any sacrifice I may make in this connection should go wholly to reducing the price of the book.

I also wish to state that it is my intention to use any money derived from the sale of this edition for some purpose connected with the African people.

I am sure that Scribner's Sons will do their best to draw up a special contract to meet the special circumstances.

Yours sincerely,
