Mr. Alan Paton,

Commissioner Street,
JOHANNESBURG

Dear Sir,

This is to enquire, whether you might be willing to have "Cry, the Beloved Country" translated into Spanish, and what would be the conditions.

I am here on a visit, my residence being in South America, and I am sure that your book would impress people there just as much as it has impressed me.

I would greatly appreciate knowing whether I have a chance, and remain,

Yours faithfully,

Margot Ullmann.
