My dear Steve,

Many thanks for your letter of January 6, and for your constructive suggestion re Karfo and Liberalism. In this connection, may I advise sending for Zoli who, as you know, has a great enthusiasm for 'shopping bloody heads off'.

Have you had a reply from London in regard to a six-monthly statement of film receipts? I would like to know how I stand.

Best wishes for 1953 and the complete rout of the Rev. Mr. Raath's party.

Yours ever,
