Dear Mr. Paton,

"CRY THE BELOVED COUNTRY".

Enclosed herewith is a copy of a letter which I sent to you on the 6th September at P.O.Box 1567. So far, I have had no reply.

Perhaps you did not receive the letter, but it is essential that we should have the name and address of your Bankers before arrangements for the payment can be made. I would, therefore, be much obliged if you could let me have this information at your early convenience.

Yours sincerely,
For and on behalf of London Film Productions Limited.
