Dear Mr. Owen,

I hope that you have now received my letter of September 29 and that you have noted the change of address.

I should like to ask you a question in regard to income tax. Is there any arrangement in England by which income tax on royalties is deducted before any payment is made to the author. If this is possible I hope you will always do it, as I am sure it will save both you and myself a great deal of trouble.

Yours sincerely,
