Sir Alexander Korda,  
London Film Productions,  
146 Piccadilly,  
LONDON W. 1.

Dear Sir Alexander,

Many thanks for your letter of July 21. I shall certainly discuss with Zoli the question of the premieres. He went off to Ixopo on Sunday and is looking well and cheerful. We follow him down there tomorrow. I saw some of the tests that he has made since his arrival and they seem to get better and better.

Kind regards

Yours sincerely,
