James Stern, Esq.,

NEW YORK.

Dear Mr. Stern,

Mr. Alan Paton has sent me a copy of your letter to him and of his reply.

As Mr. Paton tells you in his letter, we will not make a film until the dramatisation of the novel has been presented. I do not exactly know when this will be, but I hope it will be some time next year.

I hope to be in New York before then and I should be delighted to meet you there and to discuss in what way you could help in the realization of the film.

Yours sincerely,

ALEXANDER KORDA.
