My dear Jack,

Zoli may or may not send for me to come to London this February, but if he does send for me, then I ask you please to make the following arrangements:-

- (1) I should like to fly K.L.M. because my wife may join me later in England (at our own expense) and we can return by any route we like by K.L.M. In that case, would you like me to buy my passage here and to have the money refunded, or would you prefer to do it yourself?
- (2) If I do come, I should like to stay again at the Park Lane Hotel.

I close with best wishes to you from us both.

Yours sincerely,
