Dear Mr. Paton,

As Director of the Tougaloo College Opera Workshop, I take great pleasure in sending you this complimentary copy of our recording of "Lost in the Stars". Your books and your life served as an inspiration to all of us who worked on the show.

I hope you enjoy this recording, and wish you could have seen the production. Coming as it did shortly after the death of Dr. Martin Luther King, it was more than a theatrical experience to those who attended.

Sincerely,

Judith Layng
