Natal.

24th June, 1949.

Dr. Samuel Jaques,  
Memana Training Institution,  
P. O. LOUIS TRICHARDT.

Dear Dr. Jaques,

I was very glad to receive your letter of May 20 and accompanying translations. Although I am not a French scholar I was able to grasp at least the central meaning of your review. I noted with pleasure that you responded to the book, as indeed many missionaries have done, with the kind of response it was intended to evoke.

Again thanking you,

Yours sincerely,
