Dear Dr. Stringer:-

As I told you on the telephone yesterday, I am anxious to get the enclosed letter to Alan Paton before he leaves for Oklahoma City. I would appreciate it very much if you would read my letter, and if Mr. Paton does not arrive at your house, but talks to you on the telephone, relay the information in this letter to him.

I feel sure that he will not be able to get to Oklahoma City this week end, as he had originally planned. He must be running behind his schedule, and may decide not to go to Oklahoma City. I do hope that he will go, as I feel he would miss meeting some interesting people if he cancels this stop.

If Mr. Paton is too busy to write to me, would you please be good enough to let me know if he is continuing with his planned itinerary.

With all good wishes,

Sincerely,

ANNIE LAURIE WILLIAMS,

Dr. E.J. Stringer,
