

G. Carleton Jones

"I feel that in realising the sound principle that a tax on profits is preferable to a tax on production you have acted in the best interests of the industry and the country. It is indeed reassuring to know that S.A.'s Minister of Finance realises that the Mining Industry is still the keystone of the economic structure of the country."

J.A. Gray, Editor of SOUTH AFRICA

Congratulates H. on his "political courage in reversing Mr. Havenga's decision at this time."

D.L. Smit

Congratulates H. on increasing the amount for Native Education. "You will never know what a comfort it is to us in Native Affairs to know that in you we always have such a strong fearless friend."

Ludwig Japhet and I. Schleisinger sent telegrams
