Dear David,

Alan has had to go to Johannesburg and has asked me to let you know that the galleys have come safely to hand. He has not quite finished checking them but will do so as soon as he returns and send them to you next week.

He will also be sending you a print of HOFFIE at cricket scoring table which Mr. Bhugwan, a Durban photographer made from a mildewed copy Alan had. He has made an excellent job of it.

Kind regards.

Yours sincerely,
