Dear Hubert,

Many thanks for your letter of April 19. I think the alternative you suggest of the group photo at Radcot will be just the thing, and we would be very grateful. You could - whichever is more convenient for you - either let the Oxford University Press in London send it to the O.U.P. in Cape Town, or send it yourself to the Oxford University Press, Box 1411, Cape Town, giving them a caption.

Thank you for sending the letter on to Babu King. You can imagine my astonishment when I learned that he had been married for ten years.

In some ways I am sorry that the book did not come out earlier - in other ways I am not. I think you will find that it has been written much more understandingly than it would have been had I finished it ten years ago.

Do you know if Underhill is still alive? If he is, I wonder if you would tell him that the book is due soon.

All best wishes to you.

Yours sincerely,
