Paton : LIFE OF JAN HOFMEYR.

Dear Mr. Paton,

We should like to get ahead with assembling the illustrations. I enclose a copy of your hand-written list of suggestions. Have you any of these pictures in your possession? Could you get hold of any of them? Could you tell us where to track down the rest?

We ought to get them together fairly soon now so that we can really start conceiving the publicity side; the dust-jacket, prospectus and advertising will all have to have some common symbol or theme and the illustrations will help us work this out.

With best wishes,

Yours sincerely,

J.M. CURREY
