Dear David,

Thank you for your letter of October 31. I do not think it at all likely that Sir Keith Hancock will want to make alterations to the proofs. I wrote to him sometime ago and he told me quite frankly that he could tell me nothing about the Smuts-Hofmeyr relationship, and that he was relying on me. It is just possible that he might tell me of some incident or other of which I did not know but which would have been important in Hofmeyr's life. I am sure therefore that you are quite right in wanting to send him galley proofs.

All good wishes.

Yours sincerely,

P.S. When do you expect I shall receive the first galley proofs?
