

PC1/1/7/25/214

23 Lynton Road,
KLOOF,
Natal.

18th December, 1962.

Dear John,

Thanks for your telegram telling me that you will be away from December 21 to January 2. If I were to come up on January 3 and stay until January 9, would you have time to read the typescript, which should be complete except for the last year of Hoffie's life? Please let me know soon so that I can make travel and accommodation arrangements.

Wishing you all a happy Christmas,

Yours sincerely,
