Dear Mrs Litchfield,

I wonder if you would be so good as to let me know when Mr Hofmeyr became vice-chairman of Toc H and when he became the chairman? Would you also be so kind as to ring Ronnie van Buuren and ask him when Hofmeyr became national president, I think, of the Y.M.C.A.? When was the Y.M.C.A.- Toc H War Work Council formed? Was Hofmeyr the president of this, and of what body was I the chairman? Was it the executive? Do you think you could find out when I became the chairman and who was my predecessor?

I hope this will not cause you too much trouble.

Yours sincerely,
