Dear Jack,

Just a brief note to thank you for your letter in regard to Lance Japhet and to ask whether he has been able to find anything further about his father, Hofmeyr, and the New Party.

Love to Beryl and yourself from us both.

Yours ever,

P.S. Thank you for your letter re Convection heater, Jack. At present we are away from home most of the time, but when we get back to normal, I shall get in touch with the Durban agents. Thanks for the trouble you took.
