Dear Dr. Loveday,

At one time you kindly promised to let me have the medical records in respect of the late J.H. Hofmeyr. I am reaching the point when these will be necessary, and also I shall be glad if you will allow me to come over to Pretoria to see you and to submit certain other medical questions which have arisen.

I expect to arrive in Johannesburg on Sunday, February 28, and shall take the liberty of getting into touch with you by telephone.

Yours sincerely,
