Dear Mr Paton,

The Long View: the days of
white supremacy are over

Thank you for your letter of 28 July 1959, saying that you had no knowledge of this publication.

We had obtained the title from the monthly list of publications received under copyright law by the State Library. You may be interested to know that, after further inquiries, we have obtained a copy from the periodical Contact. It is a 6-page, 4" x 5" pamphlet, being a reprint of the closing article in your series The Long View in Contact 2(2)9, 24 January 1959.

Yours sincerely,

UNIVERSITY LIBRARIAN
