ANERLEY,
South Coast,
Natal.

Dear Mrs. Paton,

Yesterday I despatched to you by parcel post the material which Mr. Paton asked me to copy from the files in the "Cape Times" library relating to Mr. J. H. Hofmeyr.

Mr. Paton told me that there was no urgency about this work: I hope I have not taken him too literally, and that the parcel reaches you safely. At his request, I am enclosing the account herewith.

Yours sincerely,

Maggie Rodger
