Dear O.B.,

Many thanks for your post card. We hope to go to Mrs. Forbes for the weekend March 14/15, and on 16th to go to the Hogsback, coming on to Somerset East on 17th.

We would be very happy to stay a couple of days with you, and I should be most grateful if we could visit the Dingamans together, either during our stay, or at its end, whichever is preferable to you.

I am sending the first six chapters to Mrs. Forbes very soon. She said she would be very pleased to help me, and I sincerely hope that with her assistance these six chapters may be put beyond doubt.

Love to you both from Dorrie and me.

Yours ever,
