Mr. Alan Paton
Kloof, South Africa

Dear Mr. Paton:

I have been meaning for some time to write and thank you for your kindness in granting me an interview during my recent visit to South Africa as a guest of the government.

I have begun reading your book on Hofmeyr, which I purchased in your country, and I have found it fascinating-- completely deserving of the award C.N.A. bestowed upon it and its author.

Under separate cover I am sending you copies of the 18 articles I wrote about South Africa, including my interview with you. Please don't feel that you need to acknowledge receipt of them. But if you should feel inclined to comment about them, by all means please do so. I would benefit greatly from any advice you might give.

I hope sometime we will have the opportunity to meet again, either in your country or mine. Whether or not we will, however, please accept my heartfelt thanks for your kindness during my visit, and please also accept my very best wishes for the future.

Sincerely yours,

Ed McDowell
