Dear Prof. Callan,

Thank you for your letter of November 7 and for your advice to let Praeger have the book. This advice I accept and I don't think Scribners will object seriously. I wish you would discuss the question of royalties with Mr. Craig. I will accept whatever suggestion he makes. If he suggests 50-50, then I think we should both accept it.

Did I send you the piece that I wrote after Dr. Verwoerd's death? If I did not I shall do so. Also I would like to know if you are receiving regularly copies of Contact? I had a letter from the Editor who wants me to make a kind of appeal for the Contact in the foreword. I told him I would write to you about it, but I hope you will be agreeable. It will be done in the proper manner I hope.

Yours sincerely,

Alan Paton
