Dear Mr Paton,

You might be interested to know that "The Long View" has been passed by the Board of Censorship. We reckon to have copies available in about one month's time.

I have just discussed with Mr Leo Marquard to have it reviewed by him for the Cape Times on arrival.

Cape Town booksellers have reacted favorably, Juta undertook to do a special window.

May I hear from you if you have special wishes or suggestions to make?

Yours sincerely,
